

Introduction:

Conflict can often result from misunderstandings. Therefore, it is important that the school and home have open and transparent lines of communication and a 'no blame approach' to any issue that may arise.

Student learning is at the centre of everything we do including the social and emotional wellbeing of students.

It is acknowledged that some issues may require higher level intervention as an initial starting point but wherever possible individuals should adhere to the process outlined to seek satisfactory resolution to grievances.

Grievance Procedures:

Rights and responsibilities of the individuals involved

- To communicate honestly
- To reflect on the issue or concern
- To seek constructive solutions
- To expect opinions to be heard and sought
- To be supported throughout the process
- To be listened to
- To be given the opportunity to present all sides to an issue
- To maintain confidentiality
- To expect that agreed actions are adhered to
- To have the right to information according to DfE policies
- To consult outside agencies at any stage of the proceedings.

Guidelines:

- Raise the issue with the school in a calm and rational manner, bearing in mind that you have one side of an issue.
- Be prepared to talk specifics. That is, be prepared to talk about your own child and a particular incident.
- Parents can use an advocate (support person) to assist them in raising an issue.
- The grievances need to be kept confidential.
- At times, you may seek support from friends to gauge their reaction. It is important to do this wisely.
- At all times, it is important for the student's sake that the school and the teacher are not criticised in the student's hearing.
- When a grievance is discussed, the student involved needs to hear that there is confidence that it will be resolved at the school level.
- The school can only deal with issues that are raised in this way. If we are not approached about any concerns, then we assume that all is well.

Process:

Issues need to be raised in a confidential manner directly with the school and steps 1-5 need to be followed through before activating Step 6.

Step 1 Appointment made by parent/caregiver with the classroom teacher concerned.
(This makes the most productive use of the time available - the teachers are free to give you their full attention)

Step 2 If dissatisfied make an appointment with your child's year level or curriculum leader.
(Coordinator/Assistant Principal/Student Wellbeing/Counsellor)

Step 3 If dissatisfied make an appointment with the Head of Campus.

Step 4 Meet with the Head of Campus or Director.

- This could be followed up with a phone call at later times to monitor the situation.
- It may also result in a further discussion with the parents, class teacher and HOC.
- It might include inviting outside support for the family or school, e.g. Guidance Officer, Social Worker, Behaviour Coach, Disabilities Coordinator.

Step 5 If the problem is still apparent a further meeting will be arranged between parents, Head of Campus or Principal and Teacher involved.

The school will aim to resolve the matter within 15 working days

Step 6 Contact the DfE Education Complaint Unit (ECU) on 1800 677 435 which has the following functions.

- To provide advice and support to parents about their concern or complaint
- To review complaints that have not been resolved at the school or regional level

The ECU will aim to resolve the matter within 35 working days in most cases

Step 7 If after steps 1-6, parents are still dissatisfied contact the Ombudsman at www.ombudsman.sa.gov.au

At EFS we actively encourage parents/caregivers/students to raise issues they may have with the school or member of staff in a positive and constructive way.

A Governing Council Member would generally consult with the Principal to assist you with raising a matter to resolve through the appropriate forum.

A general school matter or policy issue may be considered on the agenda of the Governing Council at a staff meeting or raised with an individual depending upon the nature of the concern.

We look forward to your support.
