

Dear Families

Great News!

- Students can log in to DayMap at home
- Parents/Caregivers can log in to the DayMap Parent Portal

DayMap, a system Eastern Fleurieu 7-12 School has adopted for recording attendance and Learner Management (reports, assessment, homework, lesson plans and class notes) is now available to students and families outside of the school.

Students can log in to DayMap at home, just as they would at school. They can check assessment tasks, lesson plans and homework as well as see results that teachers have published including mid-term and end of term reports.

Students:

Type the following address into the address bar: **<http://reports.easternfleurieu.sa.edu.au/DayMap>**

Students will then be asked to enter their username and password. These are the same as they log in to the school computers with.

Families:

Eastern Fleurieu 7-12 School has had the DayMap Parent Portal running for a few years. This provides families with real time information about their children's assessments, homework and more. The parent portal is where interim reports, term reports and semester reports are posted.

The Parent Portal is a secure online web application that can be accessed through the internet. Families will need access to the internet and type the following url into their browser address bar:

<http://reports.easternfleurieu.sa.edu.au/DayMapConnect>

In order for access to occur Eastern Fleurieu 7-12 School will need to have one current email address from one parent/caregiver. If you require a second parent/caregiver to have access this can also be arranged. Once this is clarified and configured families can use the instructions below to access the parent portal.

PLEASE ENSURE WE HAVE YOUR CURRENT EMAIL ADDRESS

If you need to confirm or change your email contact address, please contact the school on 8536 2455, Student Services and talk with our friendly staff who will update our records for you.

INSTRUCTIONS FOR ACCESSING THE PARENT PORTAL

1. Once you have contacted Student Services to gain access to the Parent Portal an email will be sent to your email inbox with your username and a URL to reset your password. Click the link and enter the password you wish to use.

Enter the password you wish to use

[Click here to log on to Daymap Connect](#)

- The student code can be found on the student ID card that is issued to students at the start of the school year. It is also located on the School Fee invoice that is mailed out prior to the school year starting. Once you have clicked the Reset Password button, an email will be sent to the email entered. See step 1.
- If at any time you have any issues logging in or changing password please contact Student Services for assistance.
