YEAR 12 2026

PREFERENCE PLANNER

In Year 12 your entire course is yours to choose!

Assuming you have passed all your SACE compulsory subjects of course!

How many subjects, and which ones you choose, are all very individual decisions. There are so many things to take into account!

What subject areas do you love?

What subjects are you good at?

Are you keeping your options open?

Do you have any pre-requisite courses you must take?

Are you looking for an ATAR? Or only SACE completion?

Are you already completing an apprenticeship or VET course?

Do you have pre-entry to a course for 2025?

ELECTIVE INFORMATION

- You and a parent/carer will have a subject selection conference in Week 8 Term 3
- You will choose electives, plus reserves based on your chosen pathways and interests
- The timetable is developed based on the fact that if you put a subject at number 1 you want to take that one more than the rest. So the order you choose the electives is CRITICAL!

IMPORTANT INFORMATION

Year 12 signals the end of the SACE journey for most students. Therefore, students in Year 12 are expected to approach their education with maximum personal responsibility and commitment in order to achieve their goals.

By now students will generally have made important decisions about their pathways out of school and beyond and will now need to consider their individual subject pathway. The school offers extensive individualised support to each and every student in order to reach their future goals.

SUBJECT RECOMMENDATIONS AT EASTERN FLEURIEU SCHOOL

We strive for personal and academic success for all students, and appropriate subjects is key.

The following subject recommendations are based on a 10-year analysis of grade, wellbeing and pathway completion data. Families are encouraged to explore subject selection choices in line with the recommendations below:

- A-B grades (full choice of subjects)
- C grade (a concern raised about passing)
- D-E grades (Application against recommendation)

If you wish to choose a course where you have not met the expected level in the previous year, or where a teacher has not recommended you for a particular subject, you will need to fill in an "Against Recommendations" form. This will need to be signed by parent/carers.

If you have excelled in a certain subject and are looking to extend and challenge yourself, you may wish to apply for a course at a higher year level. You will need to fill in an "Application for Advancement" form. This will need to be signed by a parent/carer.

SUBJECT SELECTION CONFERENCE

- Sessions will run for 10 minutes
- Bookings will be made via Schoolzine
- A parent/carer is encouraged to attend with students
- Students must bring this booklet with their preferences filled in
- A leader will discuss your choices and fill in the Web Preferences with you
- Students will not have access to Web Preferences for themselves
- Against Recommendation forms will be available

My Subject Selection Conference is on:

- Day/Date: _____
- Time: _____
- Leader: _____
